

PROTECT YOUR LIVESTOCK – ACT NOW

Restricted Chemical Permits (RCPs) – Act Before It's Too Late

If you don't have one in place — you are already at risk.

WITH AN RCP

- 24–48 hour response
- Immediate baiting & trapping
- Rapid livestock protection
- Coordinated control

WITHOUT AN RCP

- Up to 6 week delay
- Missed response window
- Escalating pest activity
- Preventable losses
